

To Whom It May Concern

13th May 2008

Re: Reference

Over the past six months I have worked closely with the Call Center Poland and more recently have worked closely with Michal Dziurkowski. Michal has proven to be very helpful and efficient in his line of work and continually ensures that Boltblue Customer Care provides excellent service to our customers. As Boltblue continues to grow as a company, Michal and the rest of the staff at Call Center Poland have given us great support throughout.

Should you have any further queries please do not hesitate to contact me directly.

Yours sincerely

To Whom It May Concern

Re: Reference

This is to confirm that I, [REDACTED] Customer Services Manager at Boltblue, have worked closely with Call Center Poland for the past six months. Call Center Poland has proved to be a useful and efficient company who throughout our business relationship have provided an outstanding service to us. Boltblue is one of the largest content providers in the UK and as a company we have expanded internationally. The Call Center Poland have supported us throughout our growth and so far have met our needs as a client since they first offered their services to us over a year ago.

The Call Center Poland and its team continually provide good service to us by providing us with multilingual customer care staff and maintaining our good company image.

Should you have any further queries please do not hesitate to contact me directly.

Yours sincerely

Boltblue Customer Care
